SILVERDALE SEAHAWKS **J1 – J6 Newsletter 14th August 2010**

J5 Gold vs. Takapuna J5 Silver 30 - 40

Well the rain didn't stop and conditions were rather bad but the boys turned on another exciting game. Supporting and following through with the ball was excellent. Superb tries by Harry (2), Sam, (2), Will (1) and Dallas (1). Superb running by Dallas, Will and Sam. Good work team you all did well. POD Harry, FOD Sam, BOD Will.

J5 Black vs. ECB J5 Black 35 – 20

Today's game was one of our best all round efforts of this season. The boys had trained well on Wednesday and brought it all to the game today. Despite the wet conditions, the ball handling was good right round the field. The driving in the mauls was excellent and the boys really tried to keep possession of the ball throughout. Our back line passing was great to watch and our defense was much tougher today. Josh had a great day in the backs with some sturdy defense and good darting runs. He also almost pulled of a wonderful kick and retrieve try (great hands to gather the ball but just put a foot into touch before the try line). His play today earned him Back of the Day – well done. Our forward pack again gave a strong performance, strong with Connor and Matthew especially, really hungry for the ball at any breakdowns. Matthew earned himself Forward of the Day for a great game on attack and defense. Felix had some awesome barnstorming runs with the ball, Jonah had another solid game in the backs, really there were so many positives from all the boys today. They all should be really proud of their performance. Two games to go – keep up the great work! Thanks to all our very hardy supporters and sideline helpers who were all rewarded with a great game to watch. Tries to Bevon-John (1), Connor (1), Bryce (1), Logan (1), Matthew (1), Carl (2).

Silverdale J6 Green vs. Silverdale J6 Gold 80 - 5

Despite the rain J6 Green had an awesome game. Connor scored 9 tries, Nathan Brown scored 3, Callum 2, Mitchell 1 and Alexander 1. There was a lot of great passing today, awesome tackles and excellent team work which showed in the final score. Players of the Day were Nathan Brown for great tackling and getting stuck in there and ripping the ball. I loved the try, Nathan, where you skidded over a metre across the try line!!! And Nathan Langwell for good running with the ball and setting it back for his team mates. It was a great game and even though it rained steadily the whole time, the playing was fantastic!! Well done, J6 Green!

J6 Red vs. Takapuna J6 Blue 10-10

Another excellent game by the boys on Saturday, drawing against Takapuna J6 Blue 10 points each. Takapuna were on attack for a large portion of the game keeping our team in their own half, but great defence from our boys kept Takapuna from the our try line. There was plenty of great ruck and maul play at both ends of the field, with our boys holding Takapuna off the try line several times at our end, and driving across for a try at Takapuna's end. One try was scored by Brooke, with one of his great break-aways, and the other was scored by Geordie in a rolling maul, although we had several sets of hands on the ball when the try was awarded. Player of the Day went to Dylan, who had several good attacking runs, and has been doing some great tackling the last few weeks. Support of the day to Joshua, who's game is really improving with him getting plenty of ball play.

Silverdale J6 Gold vs. Silverdale J6 Green 5-80

In absolutely shocking conditions we unfortunately were on the receiving end of what could only be described as a "thumping" from another fellow Silverdale team. Congratulations to J6 Green who showed to be a very strong and physical team. Our only try, albeit an excellent one, was scored by Ben Mellor. Captaining our team this week was Matt Russell who was also named Forward of the Day and Eli Howard was awarded Back of the Day– well done boys. Good on you team for trying hard and enjoying yourselves!!
