### **J7 Green vs. J7 White (Mahurangi)**

Score - Close

Caleb Prictor scores try !!! - Player of Day. Daniel Titchener is Runner up- always a solid performance from a solid forward. Good to see Edwin Andrew always in amongst it - works hard, reliable on field and enjoying it. Joshua Jenkins had more cracks on the Bulldozer method which he totally enjoys, front row for sure. Kaleb Donovan -if the balls there, Kaleb will be too, not frightened of the action. Sasha Jones - our little runner, its always a pleasure to watch Sasha play, and of course Brennan Webb - true workhorse, dangerous in defence and on attack, who loves to play.

Absent:

Riley Bonar our try scorer who can't get enough of the game. Reuben Wood - always improving, has speed to tap. Kai Meyer - good footballer works hard and always missed, and of coarse young Aidan Wood -comes to join his brother, shows no signs of being bothered by size, will follow big bro anywhere.

Thank you to Mahurangi who lent us three top performers who were also very good around the loose ball. Mahurangi are always a pleasure to play, as we are usually short on numbers, it is always good to siphon from a well balanced team.

### **J8 Silver vs. J8 Black 10-6.**

Try Scorers: Cameron (5), Mitchell (1), William (4)

Yet another good game to watch. There were several runaway tries and some excellent break-through's from both teams. The Silver boys were on top of their ripping, keeping a close eye on where the ball was going and working hard to get it back! And they all enjoyed themselves.

Player of the day: William Catlin, Rippa of the day: Mitchell Bayes

### **J8 Gold vs. J8 Red 11-7**

Try Scorers Thomas (1), Ella (1), Kees (3), William (1), Liam H (2), Liam G (1), Matthew (2).

Another great game to watch even with two players down. Our passing skills were no where to be seen today, resulting in everyone scoring at least one runaway try each!! Don't you love Rippa rugby. Thomas's try was considered the best, resulting in his Runner of the Day award. He ran hard out almost full field with ball underarm, dodging the opposition and placed the ball down right in front of a very proud Mum & Dad. Not bad for a little fella. Liam H scored some great tries which earned him Runner of the Day also. We won't mention defence but there's always next week.....
